Basic Education and Literacy Month

Good Morning to all!

Lori Clark with the Midwest Transplant Network (MWTN) brought some interesting and lifesaving information to the club last Friday. Rotary South’s interest in working with MWTN began with the late Tom Thomas, our club’s charter president and recipient of a donated heart at St. Luke’s. Tom was an MWTN Ambassador when he died, and Columbia Rotary South has carried the local education and awareness effort since his passing in 2016. There will be an Organ Donation sign up available during the 2019 Mizzou Homecoming Blood Drive, Sept. 30 - Oct. 3. To learn more about this effort, or to sign up to donate go to www.missouriorgandonor.com

There are several opportunities to serve this week (and earn make-up points)
 Wednesday, Sept. 11 at Shakespeare's South we will be making signs to support those participating in Lizzy’s Walk of Faith (5K Walk/Run)

- Friday evening, 9/13, you can join our club in participating in the Columbia Police Foundation’s 4th Annual Trivia Night.
- Saturday morning, 9/14, Lizzy’s Walk of Faith at Twin Lakes.

Thanks to all who participated in our Club Black and Gold day last week - it was a good-looking room!

We need one or two volunteers to work on the all City Rotary Club Thanksgiving luncheon committee. Let me know if you're interested.

An Invitation from our District Governor

One of the Goals of our District Governor, Paul Reinert, is to lead an international trip for interested members of the district. He has issued an invitation to join him on January 29 - February 3 for a trip to Cali, Colombia where the group will attend the Colombia Rotary Project Fair sponsored by the Districts 4271 and 4281, the two districts in the country.

This promises to be a well-organized and unique opportunity to see a beautiful city in the world. It also happens to be the salsa dancing capital of Latin America, so you never know what new skills you will be able to acquire.

The Rotary Foundation

Once upon a time, Arch Klumph had a dream of Doing Good in the World. The Rotary Foundation was created to make that dream a reality by funding service projects in communities that need our help. Today, donors like you continue to make dreams come true.

Your donations to The Rotary Foundation helped RI raise more than \$395 million last Rotary year. That means more clean water, less disease, and greater hope for a peaceful world.

Thank you for your continued support of The Rotary Foundation. Your dedication and generosity make success stories around the world possible. Because of you, once upon a time is now.

For the 11th straight year, The Rotary Foundation has received a four-star rating, the highest possible, from Charity Navigator, an independent evaluator.

Nigeria reaches crucial polio milestone

It's been three years since health officials last reported a case of polio caused by the wild poliovirus in Nigeria. The milestone, reached on 21 August, means that it's possible for the entire World Health Organization African region to be certified wild poliovirus-free next year.

OF THE THINGS we think, say, or do:

- 4) Will it be BENEFICIAL to all concerned?**
