Rotary Foundation Month

Snow days and Rotary meetings - It's that time of year so I would like to let you know our policy on weather and our meetings. The board voted at our October 11 meeting on the following guidelines: If Columbia Public School has cancelled classes OR will be having a delayed start - the club will NOT meet. Most of the time these decisions are made the night before or early in the morning and are announced on the news.

This **Thursday & Friday**, Nov. 21 & 22, we will be helping True North with floor replacement. This is our district project and we will be providing the home with much needed repairs. As of today we have some volunteer shifts filled for Thursday morning and Friday morning, but none filled for the afternoons. You can volunteer as you have the time, any help is appreciated. We need names and shifts covered by Wednesday morning, as there needs to be a background check for volunteers.

We will not be doing the actual floor replacement, but we will be essential in helping to move furniture, clean newly replaced floors, and other services that may come up as floors are replaced. Please click on the True North link below to sign up to help. I am asking for 2 hour shifts but will happily accept more (or less) as needed. Thank you in advance for your support- more information will come to you closer to the time.

Red Kettle Campaign

This Friday is the last regular Rotary meeting before the December 6 bell ringing date. We have a lot of vacant slots on the dates below and only this Friday to fill them face-to-face at Rotary! Please, if you can possibly take any of these, let me know. And as always, we like to have two Rotarians in every hourly slot. We also will have Interact members in many of our slots in addition to our own members.

As always, call, email or text me to sign up—my spread sheet of signups is the official schedule!

Tips for Bell Ringers

- Try to arrive on time
- Dress for the weather
- Smile! Be polite and friendly and greet everyone, but DO NOT ask for a donation
- If you are the first scheduled ringer, the aprons and bells should be at the store customer service counter and a kettle should be locked in place on the stand
- If the kettle gets full during the day, call Salvation Army [Lieutenant Carmon Camp 268-5963](tel:268-5963) to trade for a new empty one (that and other Salvation Army contact numbers are on a tag on the kettle stand)
- If you are the last ringer team on the schedule please plan to wait with the kettle until a Salvation Army official arrives with a key to collect it. They may or may not be in a Salvation Army vehicle, but should have a blue and white plastic name tag with the logo, worker's name, and "We Care" in large letters.
- If they are not at the store by 8:05, call Lieutenant Carmon Camp 268-5963.
- Thanks for volunteering!

See me at Rotary on Friday mornings to sign up for the other later weekends!
Thanks in advance for serving Rotary, The Salvation Army, and the central Missouri community!

The Plus in PolioPlus

When we talk about PolioPlus, we know we are eradicating polio, but do we realize how many added benefits the program brings? The “plus” is something else that is provided as a part of the polio eradication campaign. It might be a hand-operated tricycle or access to water. It might be additional medical treatment, bed nets, or soap.

Rotary for Life

Our interest in working with Organ Donations began with the late Tom Thomas, our club's charter president and recipient of a donated heart at St. Luke's.

Columbia Rotary South has carried the local education and awareness effort forward since Tom died in 2016.

Aloha Rotary

On to Honolulu

Say hello to Honolulu, home to the 2020 Rotary International Convention. And the best way to see this island paradise? Hang with local Rotarians and Rotaractors. The Rotarian September issue takes a detailed look at what you'll see and do in Hawaii for the convention. Plan to bring the whole family. A reduced registration fee is in effect for those who register by 15 December.

The Rotary Foundation

Once upon a time, Arch Klumph had a dream of Doing Good in the World. The Rotary Foundation was created to make that dream a reality by funding service projects in communities that need our help. Today, donors like you continue to make dreams come true.

Thank you for your continued support of The Rotary Foundation. Your dedication and generosity make success stories around the world possible. Because of you, once upon a time is now.

[The Rotary Foundation receives highest rating](#)

For the 12th consecutive year, The Rotary Foundation has received the highest rating — four stars — from Charity Navigator, an independent evaluator of charities in the U.S.

Four Way Test

The Four-Way Test

OF THE THINGS we think, say, or do:

- 1) Is it the **TRUTH**?
- 2) Is it **FAIR** to all concerned?
- 3) Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4) Will it be **BENEFICIAL** to all concerned?
