Vocational Service Month

Note from the Pres

We are back, we've tested our new breakfast process, validated our snow cancellation policy, have had our Global Grant submitted. Now we are going to address what we have left to do to receive our Presidential Citation, process some new members, and enjoy Fun, Fellowship, and Service.

See You Friday

For Your Planning

Snow days and Rotary meetings - It's that time of year so I would like to let you know our policy on weather and our meetings. The board voted at our October 11 meeting on the following guidelines: If Columbia Public School has cancelled classes OR will be having a delayed start - the club will NOT meet. Most of the time these decisions are made the night before or early in the morning and are announced on the news.

Rotary's Voice and Visual Identity

New Voice and Visual Identity Guidelines have been updated to help members learn how to speak, write, and design materials so that all communications look, feel, and sound unmistakably like Rotary. This comprehensive guide is now available in English in the Brand Center.

On to Honolulu

Say hello to Honolulu, home to the 2020 Rotary International Convention. And the best way to see this island paradise? Hang with local Rotarians and Rotaractors. The Rotarian September issue takes a detailed look at what you'll see and do in Hawaii for the convention. Plan to bring the whole family.

On Saturday, 6 June, and Monday through Wednesday, 8-10 June, you can choose from more than 70 breakout sessions on a variety of topics. Here's a sample of the sessions being developed:

Strengthen your club — Explore strategies that will keep your members engaged and inspire newcomers to join the Rotary family.

Rotary's Action Plan — Be part of the conversation about Rotary's future and discover how your club can bring our strategic plan to life.

Connect and take action — Meet Rotarians and Rotaractors who are tackling the world's biggest challenges and learn how you can help

RI vision statement:

"Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves."

Bell Ringing Thanks

Subject: Thank You for Bell Ringing

Hello Members of Rotary South,

Thank you for supporting The Salvation Army in Boone County.

We love our Army of volunteer bell ringers! You have selflessly donated your time during this busy holiday season to stand by a Salvation Army Kettle offering a warm greeting and ringing a bell for hope, charity and goodwill. You really do make a difference!

This year, you all raised **\$5,485** to help those in need right here in our community. **This equals 108 nights of safe shelter along with three meals each day.**

Here's your breakdown:

November 8: \$113, November 9: \$219, November 15: \$158, November 16: \$360, November 22: \$93

November 23: \$447, November 29: \$252, November 30: \$795

December 6: \$178, December 7: \$568, December 13: \$152, December 14: \$825, December 20: \$265

December 21: \$1,060

Thank you again for ringing and for being a part of a tradition that has been around for 128 years.

I hope you and your families had a blessed New Year.

PolioPlus

When we talk about PolioPlus, we know we are eradicating polio, but do we realize how many added benefits the program brings? The “plus” is something else that is provided as a part of the polio eradication campaign. It might be a hand-operated tricycle or access to water. It might be additional medical treatment, bed nets, or soap.

The second of three strains of wild poliovirus is eradicated

An independent commission of experts announced on World Polio Day, 24 October, that wild poliovirus type 3 has been eradicated worldwide. It is the second strain of poliovirus to be wiped out, after wild poliovirus type 2 was certified as eradicated in 2015. Type 3 was last detected in northern Nigeria in 2012. Since then, the strength and reach of the polio eradication program's global surveillance system has been critical in verifying that the strain is truly gone. Investing in staffing, innovative tools, and a global network of laboratories helped us determine that type 3 is no longer a threat.

The Rotary Foundation

Once upon a time, Arch Klumph had a dream of Doing Good in the World. The Rotary Foundation was created to make that dream a reality by funding service projects in communities that need our help. Today, donors like you continue to make dreams come true.

Thank you for your continued support of The Rotary Foundation. Your dedication and generosity make success stories around the world possible. Because of you, once upon a time is now.

[The Rotary Foundation receives highest rating](#)

For the 12th consecutive year, The Rotary Foundation has received the highest rating — four stars — from Charity Navigator, an independent evaluator of charities in the U.S.

The Rotary Foundation has supported people of action around the globe who are improving lives through meaningful and sustainable projects.

This year, TRF funded disaster response efforts like those needed after Hurricane Dorian devastated parts of the Bahamas. On 24 October, we celebrated World Polio Day to raise funds and awareness to help us end polio forever. We found innovative ways to provide clean water, sanitation, and hygiene with our partners at USAID. And we continued to grow local economies by empowering women through meaningful career opportunities.

Your dedication to making a difference through service and your generous support of The Rotary Foundation make all these efforts possible.

Thank you for all you do to create lasting change in your community and around the world.

Four Way Test

The Four-Way Test

OF THE THINGS we think, say, or do:

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
