## New Leadership Month

### Note from the Pres

To my Rotary South Family –

As the incoming President I’d like to say that I’m honored to serve the Club in this capacity. I hope during my tenure that our Club remains prosperous and that we do good things. The Rotary International President, Holger Knaack’s theme for this year is “Rotary Opens Opportunities”!

Rotary isn’t just a club for people to join, but rather “an invitation to endless opportunities,” Holger emphasizes that Rotary creates pathways for members to improve their lives and the lives of those they help through service projects. Holger states, “everything we do opens another opportunity for someone, somewhere”. I share his vision.

This week’s program will be an overview of our Club committees and I will go over the goals and objectives to meet the Presidential Citation. I look to the Club for support and I ask that you all work with me to achieve these goals. It will be a challenging year due to COVID 19 but I know we will rise to the challenge and it is my hope that our Club will open opportunities!

Robin

### RI vision statement:

“Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.”

## For your planning

The majority (78%) of our club feel that we should wait at least another month given the spike in number of covid cases in Missouri. I like this approach and then we can reassess at the end of July and hopefully things will be better. We will continue with Zoom for at least the month of July. I think taking this cautionary measure only benefits our members and I certainly do not want to put anyone at risk especially our most vulnerable population to which there are a few in our club.

Robin

## "Craft Beers and Carts"

For the second year, Rotoract Columbia is hosting "Craft Beers and Carts" a fundraiser to support Mobility Worldwide - Columbia. Last year's event was a great success, with lots of beautifully and funny Mobility carts decorated as everything from a peacock to rocket ships. Columbia South sponsored a cart decorated as a race car last year, and we were able to display it at Missouri Orthopedic in the weeks leading up to the event.

This year's Craft Beers and Carts will again be held at Logboat on Sunday, 30 Aug, from 1-4pm. Columbia South will again be sponsoring a cart. If you are interested in decorating the cart, let Dell Epperson know and one will be delivered to you.

Mark your calendars now, and please share this flyer with your colleagues and friends. If your business or organization would like to sponsor a cart, contact Gary at Mobility at 573-886-7877.

## ROTARY - Donate Now

When every Rotarian gives every year, no challenge is too great for us to make a difference. Your contributions help us fight disease, promote peace, provide clean water and sanitation, save mothers and children, support education, grow local economies, and respond to disasters.

Did you know that the RI Foundation funded more than 1,400 global grants totaling over \$86 million last year? Or that, together with our partners, we've immunized more than 2.5 billion children against polio since 1988?

## The "plus" in PolioPlus

With decades of experience stopping polio outbreaks, Rotary and our partners have a critical role to play in protecting communities from the COVID-19 pandemic, just as the we did with Ebola, yellow fever, and avian flu. From Pakistan to Nigeria, the Global Polio Eradication Initiative is supporting governments in their COVID-19 response efforts. This truly represents the "plus" in PolioPlus.

With the challenges of COVID-19, there's a significant risk that many children will miss out on lifesaving vaccines that prevent dangerous diseases, including polio. The most important thing that Rotary members can do is sustain our fundraising efforts in the fight to end polio.

## **The Four-Way Test**

**OF THE THINGS we think, say, or do:**

- 1) Is it the TRUTH?**
- 2) Is it FAIR to all concerned?**
- 3) Will it build GOODWILL and  
BETTER FRIENDSHIPS?**
- 4) Will it be BENEFICIAL to all concerned?**
