Membership and New Club Development Month

Note from the Pres

To my Rotary Family,

I hope everyone's August is off to a great start. With everything that has been going on in this COVID 19 environment, I've had time to reflect on the good things this past week. My family and I took a quick trip to Grand Isle, LA to get out of the house and do some fishing. It was a much-needed change of environment for us and most importantly good for our mental health. Be thankful for the good things! I'm thankful for my family, that I have a job, I'm healthy, I have friends and for the most part I can still do all the things I want to do, like go fishing! I'm thankful for Rotary and our service to the community. Please take a moment this week and reflect on all the good and wonderful things you have in your life.

My quote for the week is from Oprah Winfrey, "Be thankful for what you have: you will end up having more, if you concentrate on what you don't have you will never, ever have enough".

Have a great week and I'll see you on the screen Friday!

Robin

RI vision statement:

Jennifer E. Jones nominee for 2022-23 president

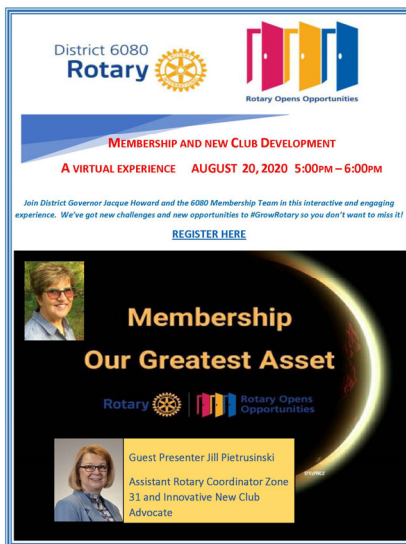

Foundation Trustee Jennifer E. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, has been nominated to become Rotary International's president for 2022-23, a groundbreaking selection that will make her the first woman to hold that office in the organization's 115-year history.

For Your Planning

NOTICE: The Board has voted 10:1 for continuing Zoom meetings through August. Robin will be working with CCMO to come up with a plan to mitigate for social distancing for our Club members for when we do return to in-person meetings. As for the breakfast payment options, the Board and Robin will work with the breakfast committee on recommendations. We will reassess again at the end of August.

My Rotary maintenance: My Rotary will be unavailable through Wednesday, 12 August, while we perform maintenance to ensure that enhancements to the site work properly. We apologize for any inconvenience and thank you for your patience.

"Craft Beers and Carts"

For the second year, Rotaract Columbia is hosting "Craft Beers and Carts" a fundraiser to support Mobility Worldwide - Columbia. Last year's event was a great success, with lots of beautifully and funny Mobility carts decorated as everything from a peacock to rocket ships. Columbia South sponsored a cart decorated as a race car last year, and we were able to display it at Missouri Orthopedic in the weeks leading up to the event.

This year's Craft Beers and Carts will again be held at Logboat on Sunday, 30 Aug, from 1-4pm. Columbia South will again be sponsoring a cart. If you are interested in decorating the cart, let Dell Epperson know and one will be delivered to you.

Mark your calendars now, and please share this flyer with your colleagues and friends. If your business or organization would like to sponsor a cart, contact Gary at Mobility at 573-886-7877.

Jenny Trom's right leg had a severe disagreement with the deck of a boat at the Lake of the Ozarks a week back. Sadly, the boat won, leaving Jenny with her foot pointing in the wrong direction courtesy of broken fibula, tibia and ankle. The "plus" in PolioPlus

With decades of experience stopping polio outbreaks, Rotary and our partners have a critical role to play in protecting communities from the COVID-19 pandemic, just as we did with Ebola, yellow fever, and avian flu. From Pakistan to Nigeria, the Global Polio Eradication Initiative is supporting governments in their COVID-19 response efforts. This truly represents the "plus" in PolioPlus.

With the challenges of COVID-19, there's a significant risk that many children will miss out on lifesaving vaccines that prevent dangerous diseases, including polio. The most important thing that Rotary members can do is sustain our fundraising efforts in the fight to end polio.

Member Orientation

We ask new members to do the following: How many have you done?
Be a Greeter; Give your Classification Talk; Attend a Board Meeting
Attend a Committee Meeting and Join One; Make up at another Rotary meeting
Invite a guest to Rotary; Attend a Fellowship event; Participate in a Club Service Project;
Attend a District Seminar or Conference; Get involved and enjoy Rotary
