Rotary Foundation Month

Note from the Pres

To my Rotary Family,

This is a big week with Election Day and I hope everyone goes out and votes. We will also have a surprise program on Friday, so please plan on attending our meeting as I'm sure it will be fun. The Holiday Season is upon us and I encourage folks to volunteer and signup for bell ringing. Think about our Rotary motto for the year: Rotary Opens Opportunities. This time of year is a great opportunity for us to give back to the community whether it be in the form of bell ringing, donations, or any other community service activity. We have a big work night coming up with Mobility Worldwide on November 10, so consider attending and keep on selling those poinsettias.

Have a great week everyone,

Robin

RI vision statement:

"Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves."

Red Kettle Bell Ringing

Seasons' Greetings! Our signups for Rotary South bell ringing are progressing. Thanks to everyone who has already broken the code on using Signup Genius! The first day, Friday the 13th, is minimally covered but we still need lots more ringers on subsequent days. To sign up or see the current schedule, go now to:

<https://www.signupgenius.com/go/4090c4ba8af2fa7f85-columbia>

Now for updated details for your kettle shift:

First of all, the familiar green and white Tupperware carton with the Rotary paraphernalia (Santa hats, aprons, clipboard extra bells, etc.) will not be at our station this year in the interest of health precautions.

Following are a few things to remember in general and for ringing during COVID-19:

1. If you are the first bell ringer of the day and the kettle has not arrived yet, please know that a Salvation Army employee, or volunteer is en route and will arrive shortly.
2. When you arrive, a kettle and bag that will contain plastic aprons, gloves, masks and sanitized bells will be in the tied off bag for you to use during your bell ringing shift. When you are done simply throw the gloves, masks and aprons away. Return the bells inside the bag and lay on the foot of the kettle stand. It will be retrieved along with the kettle to be sanitized for the next bell ringer.
3. You are free to leave if you have the final shift of the day. The kettle is locked and secured into the stand. Someone from The Salvation Army will be along shortly to retrieve the kettle. You do not need to stay with the kettle. If your Rotary reliever is late or a no-show, go ahead and leave but call or text Bill Boston at (573) 881-2875 and let him know.
4. If you have questions while you are ringing there will be a contact number on the kettle stand for a Salvation Army representative or call Bill at the number above.

Have fun and stay safe! Salvation Army bell ringers are an icon of the Christmas season!

Merry Christmas and God bless you!

The Food Bank for Central & Northeast MO

This past year has been a unique challenge for all of us. Many of us have felt disconnected from our community. This year we want to bridge that gap and help folks reconnect with each other. To do that we want to include hand-written cards in all our VIP Veteran boxes. Our goal is to include 300 cards in the November boxes and another 300 cards in the December boxes. We are reaching out to our fantastic group of volunteers asking that you write these letters to Veterans and help our community feel more connected this holiday season.

To participate, sign-up here: [Holiday Cards 2020](#).

The Food Bank for Central & Northeast Missouri is launching a virtual volunteer opportunity! We are looking for volunteers who are interested in promoting The Food Bank and spreading awareness of hunger in America with their communities. These volunteers will serve as The Food Bank Advocates.

Advocates will support The Food Bank by posting and sharing content about The Food Bank and hunger related issues on their social media pages.

If you are interested in becoming a Food Bank Social Media Advocate, you will need to complete this [application](#)

Four Way Test

The Four-Way Test

OF THE THINGS we think, say, or do:

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned?
