**Note from the Pres!**

Rotary South Members,

Getting settled after my family's recent vacation to Destin. We had a great week relaxing on the beach and doing some deep sea fishing. Now it's back to school time!

Students are back in town - which means traffic is crazy and it is nearly impossible to pick up a loaf of bread at the grocery store and not spend half a day doing so. Both of my boys started at OLLIS this week entering 6th and 7th grade - as well as hockey practice for Parker. Parental obligations certainly ramp up this time of year.

Thank you, Dell Epperson, for covering this past week - sounds like our RYLA recipients delivered a great presentation and we recognized another Paul Harris Fellow (Ron Kelley)! In addition, THANK YOU to everyone who volunteered to participate in the Food Bank Service night along with Downtown Rotary.

Please watch your emails midweek for those who have volunteered to serve on a committee this Rotary year - and if you haven't there is still an opportunity to get involved. Shoot me an email if interested.

See you all this Friday!

Brad

## What's New

### Remember these reporting changes for 2021-22

It's a new Rotary year. Make sure to review these important changes to reporting requirements for club presidents:

- Starting 1 July, club presidents are encouraged to report their **club service projects committee chair** to Rotary International. While the club service projects committee is not new, this is the first year that you'll be able to report the committee appointment so that these chairs receive access to tools, resources, and support for club-led service activities.
- Club presidents are also being asked to report **club public image chairs**. This will ensure that your club has access to our current brand guidelines and official Rotary assets including videos, ads, and customizable promotional materials. You'll also get links to online training courses for public image officers and the latest news on how to increase our impact and reach.

Reporting these appointments to RI will help your club align district and club communications, provide feedback channels so that RI can enhance our service resources and support, and increase your club's impact and expand your reach.

Celebrate World Interact Week this 1-7 November!

## Rotary for Life

Our interest in working with Organ Donations began with the late Tom Thomas, our club's charter president and recipient of a donated heart at St. Luke's.

Columbia Rotary South has carried the local education and awareness effort forward since Tom died in 2016.

**The Rotary Foundation World Fund** has awarded over 1,900 global grants totaling more than \$139 million so far this Rotary year. Together with our partners, we've immunized nearly 3 billion children against polio since 1988.

## Four Way Test

### **The Four-Way Test**

**OF THE THINGS we think, say, or do:**

**1) Is it the TRUTH?**

**2) Is it FAIR to all concerned?**

**3) Will it build GOODWILL and  
BETTER FRIENDSHIPS?**

**4) Will it be BENEFICIAL to all concerned?**
