### Note from the Pres!

Rotary South Members,

Hello September! August brought the heat and September brings back MIZZOU Football. MIZ!

We had some excellent programs this past month – as well as service opportunities with other clubs and fellow club members. We will have additional opportunities for service in September with the Columbia Center for Urban Agriculture (CCUA) Hootenanny – as well as the Foodbank again. Please look for sign-ups.

How do you feel the current Rotary Year is going? If you have ideas or suggestions – please email me at [martensb@health.missouri.edu](mailto:martensb@health.missouri.edu)

Lastly, please take time this week to pause and reflect on the many things we take for granted – including our freedom, health, religious beliefs, family, and so many other things. I struggle to learn of the many challenges others are facing each day and so grateful for the life that both myself and family have. Rotary has allowed me to open my eyes and experience a number of different opportunities we have to assist others in need. This past week in Afghanistan has been heartbreaking – please keep everyone impacted by these events in your thoughts and prayers.

Brad

## What's New

### Remember these reporting changes for 2021-22

It's a new Rotary year. Make sure to review these important changes to reporting requirements for club presidents:

- Starting 1 July, club presidents are encouraged to report their **club service projects committee chair** to Rotary International. While the club service projects committee is not new, this is the first year that you'll be able to report the committee appointment so that these chairs receive access to tools, resources, and support for club-led service activities.
- Club presidents are also being asked to report **club public image chairs**. This will ensure that your club has access to our current brand guidelines and official Rotary assets including videos, ads, and customizable promotional materials. You'll also get links to online training courses for public image officers and the latest news on how to increase our impact and reach.

Reporting these appointments to RI will help your club align district and club communications, provide feedback channels so that RI can enhance our service resources and support, and increase your club's impact and expand your reach.

## Rotary for Life

Our interest in working with Organ Donations began with the late Tom Thomas, our club's charter president and recipient of a donated heart at St. Luke's.

Columbia Rotary South has carried the local education and awareness effort forward since Tom died in 2016.

**The Rotary Foundation World Fund** has awarded over 1,900 global grants totaling more than \$139 million so far this Rotary year. Together with our partners, we've immunized nearly 3 billion children against polio since 1988. [African region marks one year since being certified wild polio-free](#)
