Rotary for Life

Our interest in working with Organ Donations began with the late Tom Thomas, our club's charter president and recipient of a donated heart at St. Luke's.

Columbia Rotary South has carried the local education and awareness effort forward since Tom died in 2016.

What's New

Remember these reporting changes for 2021-22

It's a new Rotary year. Make sure to review these important changes to reporting requirements for club presidents:

- Starting 1 July, club presidents are encouraged to report their **club service projects committee chair** to Rotary International. While the club service projects committee is not new, this is the first year that you'll be able to report the committee appointment so that these chairs receive access to tools, resources, and support for club-led service activities.
- Club presidents are also being asked to report **club public image chairs**. This will ensure that your club has access to our current brand guidelines and official Rotary assets including videos, ads, and customizable promotional materials. You'll also get links to online training courses for public image officers and the latest news on how to increase our impact and reach.

Reporting these appointments to RI will help your club align district and club communications, provide feedback channels so that RI can enhance our service resources and support, and increase your club's impact and expand your reach.

OF THE THINGS we think, say, or do:

- 1) Is it the TRUTH?**
- 2) Is it FAIR to all concerned?**
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4) Will it be BENEFICIAL to all concerned?**
