Please consider stopping by YourPie on Tuesdays with your ideas and passions – to help us plan the rest of the year otherwise, we hope to see you on Fridays this year!

Global health experts and Rotary polio eradication leaders delivered encouraging news on World Polio Day in the 2021 global update, "Delivering on Our Promise of a Polio-Free World." With historically low numbers of wild poliovirus cases reported in Afghanistan and Pakistan in 2021, Dr. Hamid Jafari, director of polio eradication for the World Health Organization's Eastern Mediterranean Region, noted that we have an excellent opportunity to intensify our eradication efforts and stop transmission of polio in the two last countries where it is endemic.
